The Society's Articles of Association allow a fee of \$85.00 for those persons who are elected as members for the first time between the period of 1st July to 31st December in any year. Applicants for membership which are received by the Society from 1st July until 30th November each year will qualify for this reduced fee. All applications for membership received in any particular month are put to the Directors at the beginning of the following month and persons are then elected at that time - this is a requirements of the Society's Articles of Association. Thus: Applicants for membership cannot be formally approved until the month following lodgment in the Society Office. Applicants lodged in January will normally be approved in February. Applicants lodged in December cannot be approved until January which is the first month of a new membership year and thus full fees are required.
