## **DO YOU WISH TO IMPORT SEMEN INTO AUSTRALIA?**

- 1. Stallion must have a DNA in resident country & a suitable DNA type must be on file with a W.A.H.O. approved Arabian Horse Registry.**
- 2. Stallion must be approved for A.I. use and approved to Export semen in their own country. (As per W.A.H.O. regulation).**
- 3. Stallion owners must ensure a copy of an International DNA, permit to Export semen & an extended pedigree together with a copy of the stallions registration certificate is sent to the A.H.S.A registry in Australia from their respective registry.**
- 4. Stallion owner to advise as per application form as to who has authority to sign & where the Service Certificates are to be sent.**
- 5. Contact the Quarantine Authority in Australia as to the Quarantine requirements for the specific country you wish to import semen from.**
- 6. As from 1/8/2011 all Arabian foals produced using frozen semen (whether domestic or imported) must be tested for SCID, LFS & CA prior to registration. Carrier foals will still be registered.**
