

INFORMATION FOR SHOW SECRETARIES & EVENT ORGANISERS

Show Secretaries & Event Organisers Please Note:

The Arabian Horse Society of Australia has a grading system for each show held where Arabian or Arabian Derivative horses compete.

Show Societies & Associations are invited to work with the Society in order to promote Arabian classes & attract larger entries for your shows or events.

There are minimum Grading Requirements for each level of show or event which means programs should be submitted to the Society to determine your "grading level".

The Society also has an extensive list of QUALIFIED Arabian Panel Judges; many of these Judges are qualified to judge other breeds, which will be listed under their entry in the Judges Book. (Copies available online or from the Society)

Show Secretaries & Event Managers should note that only
AHSA PANEL JUDGES
will attract grading points and qualifications for the
Australian National Arabian Championships.

If non-panel judges are used, there will be a grading reduction, NO Australian Arabian Roll of Merit points and NO qualification to the "Aussies". It is in your best interest and the best interest of your competitors to only obtain qualified Judges from the AHSA Panel.

The Australian Arabian Roll of Merit is a points scheme where owners nominate their horse and "chase" points. There are four (4) categories of award available:

HALTER	PERFORMANCE
WORKING	PROGENY

There are also different levels of awards available within each category.

As you can imagine, the better the program and the more qualified the judge, the more influence your show or event will have on the competitor! They are more likely to attend shows or events where there is more to gain for them in the long run!
